**Those with \* next to their names:** You need some technical work. I would suggest more focus on ballet and jazz technique. This might include some private lessons with any assistant in these genres, or simply more awareness and focus in technique classes! Please be aware that it will affect which portions of the choreography and genres you will be in! There will be a tryout for the lyrical/contemporary dance. Congratulations on being a part of the team!

**INVITED TO ATTEND THE 2 FRIDAY TECHNIQUE CLASSES:** KELDYN BOYD AND HUNTLEY STEVENSON.

**CONGRATULATIONS TO**
